ENTER VALUES HERE;

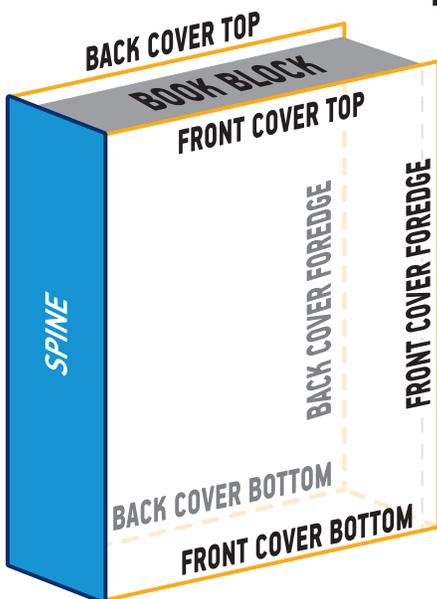

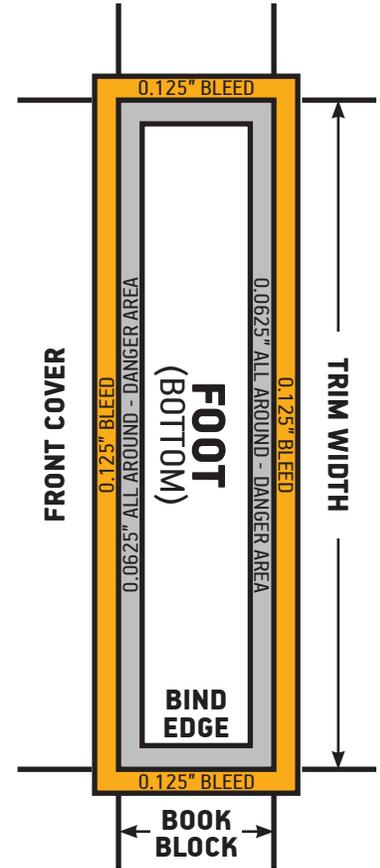

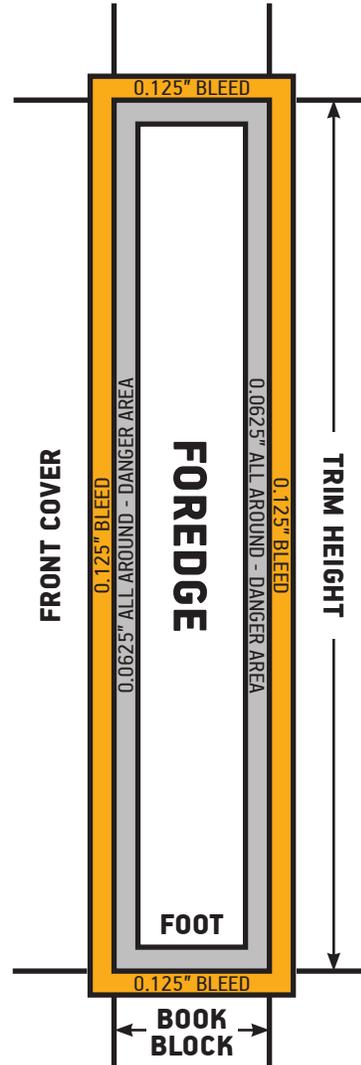

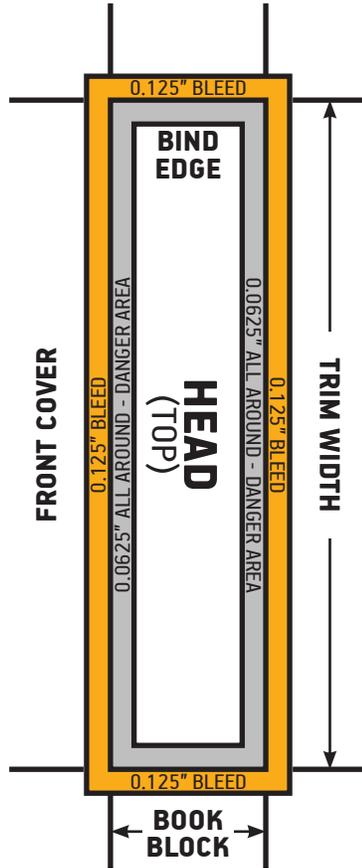

Book Block Thickness
 (Or SC Spine)

Trim Size Width

Trim Size Height

(All units inches)

REQUIRED SPECIFICATION
Trim Size
Bound Edge
Page Count
Text Stock PPI
Spine (Book Block + Cover)
Book Block Width
Bleed (1/8" or 0.125")

FILE REQUIREMENTS
Size for the head and foot should be book block width X trim width
Size for the foreedge should be book block width X trim height
Art should bleed 0.125" on all sides of all edges
Include trim marks. Offset trim marks 0.125" so they do not extend into the bleed area

Multiple Page PDF order: page 1 is the head, page 2 is the foreedge, and page 3 is the foot.

This template applies for all book types, including:
 Rounded Spines, Square Spines, Smooth Foreedge, Square Textblocks And Rounded Textblocks.
